If a student withdraws or loses driving privileges, it will be grounds for the permit to be relinquished back to Central High School for resale. Students may not sell their parking space or permit nor let someone else park in their space.

4. Seniors will have 1st priority to purchase a permit; juniors will have next priority. The day after registration/orientation permits will be available on a first come first serve basis.
5. If any spaces are available after seniors, juniors, and sophomores purchase permits, spaces left will be sold to freshman on an individual basis and certain criteria will be used to determine issuance of a permit.
6. No student's car is to be parked in the teacher's parking lot or visitor spaces. **(SUBJECT TO IMMEDIATE TOWING).**
7. Cost of the permit is \$25.00. If a parking tag is lost, a new one must be purchased at full price.
8. If a permit is purchased, the space is to be occupied with the owner's car a majority of the time.
9. Park only in the space designated by the number on the parking hanger.
10. All cars in the student parking area must have a tag visible through the window; if not, the car tag number will be recorded and a warning issued.
